

Hitler Youth

Name: _____

1. Why do you think Hitler felt it so important to teach the youth of Germany his beliefs and to prepare them to be strong and ready for war?

2. If you were living in Germany during World War II how would have felt about being required to be a member of the Hitler Youth groups and required to attend their meetings several nights a week?

3. Why do you think the youth of Germany became cruel to their Jewish neighbors and spied on and turned in their parents and other adults for doing things that were considered against the German government?
