

Name: _____ Date: _____ Class: _____

The Spread of Industrialization

A. Reading and Understanding: Describe the extent to which industrialization occurred, and how it happened, by filling in the chart.

| Region | When and how industry was introduced | Effects on Nation |
|---------------|--------------------------------------|-------------------------|
| Europe | _____ _____ _____ | _____ _____ _____ |
| Russia | _____ _____ _____ | _____ _____ _____ |
| Asia | _____ _____ _____ | _____ _____ _____ |
| North America | _____ _____ _____ | _____ _____ _____ |
| South America | _____ _____ _____ | _____ _____ _____ |
| Africa | _____ _____ _____ | _____ _____ _____ |

B. Thinking Question: Choose one of the world regions you discussed. Do you think that the introduction of industry in that region was a true revolution? Keep in mind the amount of change that occurred, the degree to which industry was adopted in the region through unique innovation, and how much it affected the people there.
