

Wild Door Hanger

This is a simple activity where you can make a door hanger using plenty of wild animals. You would first need to make individual animals using the instructions shown in **Animals Galore**. Here you can find instructions for the rest of the activity.

Materials needed:

- Foam door hanger in your favorite color
- Permanent markers in a variety of colors
- strong adhesive

Procedure:

- Attach the wooden animals onto the door hanger in a random manner using the strong adhesive.
- Using permanent markers, customize your door hanger with any picture or message you like to include.

That's it, you're done! Now, you can make a door hanger for each room in your home, each with its unique message. Have fun!
