

Tiger Clip

Learn how to make a tiger clip.

Materials needed :

- Spring clothespin
- 2 - jumbo craft sticks
- 18" pc. of 1/8" pink or purple ribbon
- 9" x 12" pink foam sheet
- 5mm pink pompom
- 1 1/2" gray pompom
- 2 pcs. 7mm wiggle eyes
- 9" x 12" gray foam sheet
- Black and gray acrylic paint

Procedure:

- Paint clothespin and craft sticks in gray.
- Cut one craft stick in half. Glue each half to flat sides of clothespin for body. The flat ends of craft sticks should be even with bottom of clothespin so it can stand on its own.
- Now, cut remaining craft stick in half. Glue one half to rounded end of one side of body for tail.
- Glue 1 1/2" gray pompom to top front of body for head.
- Cut out ears and tongue from the foam sheet. Glue eyes, tongue, nose and ears to head.
- Mix medium gray and black paint. Paint stripes on tail and fur on front of body.
- Make bow using purple or pink ribbon. Glue under head.
