

YOU ARE MY BEST FRIEND

I like being kind to you,

I like being kind to you.

You like being kind to me.

You like being kind to me.

We can be friends forever, yea, yea.

And we can talk together,

And we can love each other,

And we can be a big, happy family.

Big, happy family.

CHORUS

And you are my best friend,

And I'll never leave you,

And you'll never leave me,

No, No, No, No

And you are my best friend,

And I'll never forget you,

And you'll never leave me,

And we can be a big, happy family.
