

Groovin' Friendship

Groovin' friendship is a good thing

You can do,

Groovin' friendship

Just me and you,

We walk, we talk, we laugh, we play

We share our thoughts in every way,

Groovin' friendship is a good thing

You can do,

Groovin' friendship

Just me and you,

We walk, we talk, we laugh, we play

We share our thoughts in every way,

Groovin' friendship

Just me and you.
