

Mix It Up At Lunch Script for Skit

Have a table set with two chairs near where you are making your presentation. Have a few lunch bags on the table to make it look real.

Person 1: Hey _____, I sit with you everyday for lunch. Maybe we should Mix It Up!

Person 2: Sounds interesting. But what are you talking about?

Person 1: I'm talking about Mix It Up at Lunch Day. It's when you sit with someone you don't usually sit with.

Person 2: Oh, you mean that we should sit next to new people. So, boys might sit with girls or different races and cultures might sit together.

Person 1: Yes – that's it.

Person 2: Great, I think it would be really fun to make some new friends and get to know some of the other kids I see everyday.
