*** 5. This is a question about your classmates, not you. A new child who does not speak much English has just joined your class at school. What do you think most of your classmates will do? You can check more than one answer to this question.**

- Walk up to the newcomer and welcome him / her
- Wait for the newcomer to introduce himself / herself
- Avoid the newcomer unless the teacher tells them to go talk to him / her
- Make fun of the newcomer's poor English
- Tease the newcomer during lunchtime and other breaks
- Beat up the newcomer when adults are not looking
- Do something else, like ...
