

SECRET WORD

Discover the 5-letter secret words by elimination and deduction. Fill in the blanks with the 5-letter answers to the clues. The number in parentheses next to each answer tells you how many of the letters in that word are also in the secret word. After you have determined the correct 5 letters, rearrange them to form the secret word. No letter is repeated in any secret word, and if a letter is repeated in an answer word, it is counted as only one letter. The first letters of the answers, reading down, spell out a hint to the secret word.
