

Exercise Book of the InterNETional Gallery

ANIMAL DRAWING LESSON OF THE INTERNETIONAL GALLERY

Zum Gebrauch

Dieses Heft soll dir helfen, verschiedene Tiere zeichnen zu lernen. Beginne mit deinem Lieblingstier, das du dir aus dem Inhaltsverzeichnis auf der nächsten Seite heraussuchen kannst. Sollte es nicht dabeisein, schau ab und zu auf der Website vorbei, denn die InterNETional Gallery erweitert ständig ihr Angebot. Die Erstellung der Zeichnung ist jeweils in drei Phasen oberhalb des Bildrahmens dargestellt.

den Gitterlinien, die in den kleinen Skizzen und dem großen Rahmen eingezeichnet sind. Zeichne die Linien des ersten Teilbildes schwungvoll und jeweils ohne abzusetzen. Schau dann, welche Linien im zweiten Teilbild hinzukommen usw.. Du solltest dieses Tier so oft üben, bis du es auswendig kannst. Dafür ist es nützlich, sich die letzte Seite - mit den Orientierungskästchen - mehrmals auszudrucken oder zu kopieren.

How to use this booklet

This folder will help you learning how to draw various animals. Start with your favorite animal that you select from the content on the following page. If you are missing an animal, you should regularly check the website, because the InterNETional Gallery is extending its repertoire continuously. The drawing is cut into three steps, which are shown above the picture frame. Orientate at the grid lines, that are

given in the small sketches and the large frame, respectively. Draw the lines of the first part without break. Then look, which lines have to be added from the second part and so on. You should practise drawing this animal until you learned it by heart. For that purpose you should produce multiple copies of the last page of this booklet, that only contains grid-frames for orientation preface.

mode d'emploi

Cet cahier devoirs assister toi d'apprends dessiner plusieurs animaux. Commence avec ton animal préféré, que tu te recherches du table des matières sur la page suivante. S'il n'est pas là, revisite la webpage bien réglé, parce que le InterNETional Gallery elargit son offre permanent. La production du dessin est subdivise en trois phases au-dessus du cadre. Oriente-toi aux fenêtres

grillagées. Dessine les lignes de la première image enthousiastement et sans déposer! Puis, regarde quelles lignes ajoutent à la deuxième image et cetera. Tu le devoirs pratiquer toutes les fois que tu es capable de le dessiner par coeur. Pour cela, c'est utile, de se imprimer (ou copier) la dernière page plusieurs fois.

Come usare

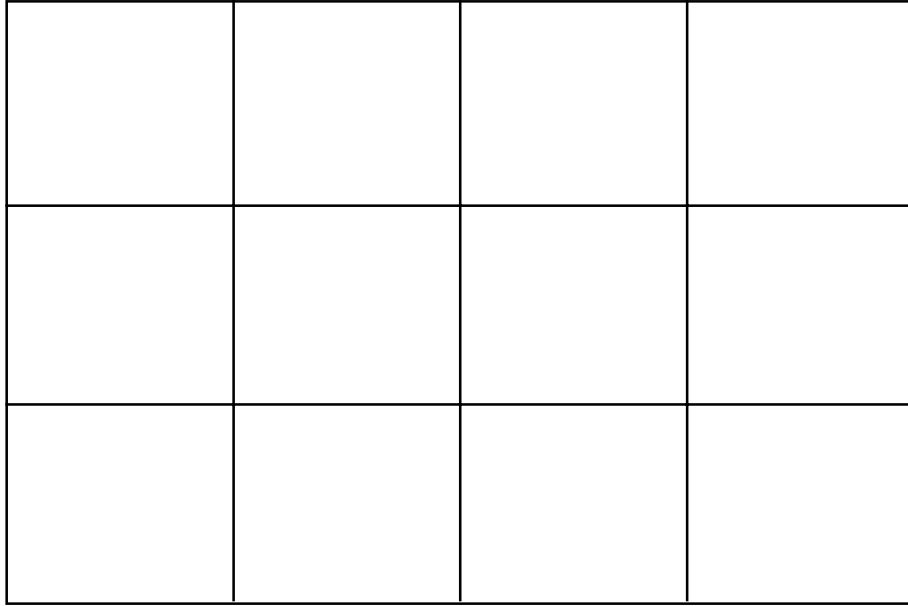

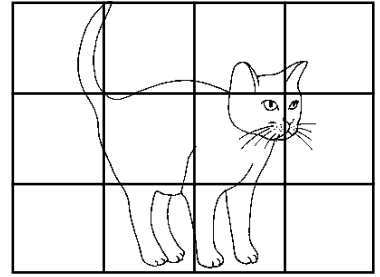

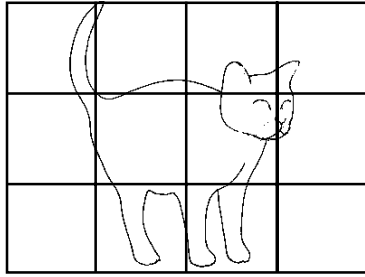

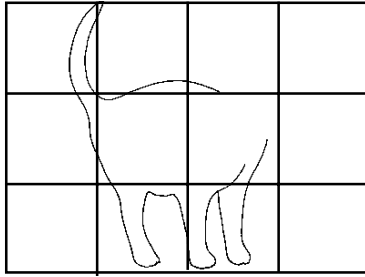

Queste piccole istruzioni ti aiuteranno ad imparare come disegnare vari animali. Comincia a selezionare il tuo animale preferito selezionando tra quelli disponibili. Se non lo trovi, potrai controllare regolarmente su questo sito, perchè InterNETional Gallery espande continuamente il suo archivio. Il disegno è diviso in tre fasi, che sono mostrate sopra il riquadro del disegno. Orientate nella griglia di linee, che

sono prese nel piccolo disegno e nella grande cornice, rispettivamente. Disegna le linee della prima parte senza interruzioni. Quindi guarda, quali linee devono essere aggiunte nella seconda parte e cose via. Dovrai esercitarti a disegnare questo animale fino a quando non lo avrai imparato a memoria. A tale fine dovrai produrre diverse copie dell'ultima pagina di questo libretto, che contiene solo le linee guida per orientarsi.
